## 2019/20 Northstar Team Foundation

Since 2013 the Northstar Team Foundation has proudly supported the athletes and coaches of the Northstar Ski & Snowboard Team program.

In cooperation with Northstar California Resort, we focus fundraising efforts on providing dedicated hill space for team training, financial support for our coaching staff, and scholarships for our competitive athletes. We are a parent-run 501c3 organization that meets year-round to support the lifelong comradery, skills, and appreciation that team sports and an outdoor lifestyle provide.

---

Through donations, volunteer hours, and fundraising events, our vision for the next 10 years is to continue to build a Foundation that inspires and enables every child an opportunity to participate in Northstar's Ski & Snowboard team experience and every coach an opportunity to produce gold medal athletes in life and sport.

## Our Mission

To allow every athlete the best opportunity to reach their highest potential in sport and in life.

# Board Chair

"We need to enable athletes at all levels to chase their dreams, no dream is too small, no dream is too big" - Tiger Shaw CEO

## **What has been your greatest achievement as chair**

As a board of volunteers we have accomplished a lot in the past two years. I am proud of the strong board that has been built. Together we have completed the surprise project, impacted scholarships and have successfully fundraised to complete the 1/2 pipe snowmaking project. As the Board chair, I am proud of the foundation that is in place. The infrastructure of support impacts every athlete that is on the Northstar Ski and Snowboard Team.

## **As the organizational leader, how do you look into the future?**

I believe that every child should have an opportunity to participate in outdoor sports. As I look into the future, I would like to see the scholarship funds grow and our ability to support more athletes to pursue their skiing and snowboard goals in the Truckee community. This year, more than ever, we saw the positive impact of being outdoors. Being a part of the Northstar Team provided a sense of normalcy that kids needed. Our community of support provides the social and physical necessities, as well as sparks the competitive nature of children.

'We have Built the house and the basic foundation, now we want to fill it with all the resources that the athletes need to achieve their potential'. -Aaron Atkins, Director NSST

Since 2013 the Northstar Team Foundation has proudly supported the athletes, coaches, and families of the Northstar Ski & Snowboard Team program, guided by their shared mission; "to produce gold medal athletes in life and sport."

The Foundation exists to support positive role models and ensure every child has the opportunity to participate in the ski & snowboard team program. Through its annual fundraising efforts, the Foundation provides financial assistance for athletes, funds to support coaches education , and we have built the only dedicated winter sports training arena in the Tahoe region.

"The Northstar Team Foundation has generously awarded me scholarships that allow me to further pursue my passion for snowboarding. The Foundation's support has helped to pay for part of my team tuition and has allowed me to snowboard. It's because of the Northstar Team Foundation's support that I have been able to continue my snowboarding journey."

Scholarships awarded in 19/20

The Northstar Foundation Scholarship allowed me to get on skis in the summer, practice my aerials in the pool and on snow, and set new goals for this winter's mogul team competitions. Thank you Northstar Team Foundation for believing in me!

2019/20 Lucy

Without the support of the Teams Foundation scholarships, I wouldn't be able to participate in the race team program at Northstar. I really appreciate the support because the race team is one of my favorite things in the world and I look forward to skiing all year long.

2019/20 -Finn
